

**Entrepreneurs!**  
**Save this Date – November 21**

The Business Centre Guelph-Wellington is launching a new program designed to help adults aged 55 and older realize their dream of becoming a successful entrepreneur.

You have expressed interest in having your own business so we invite you to learn more about how we can help you run your business and gain customers at the same time.

Being part of the Skills at Work 55+ program gives you access to a range of customizable services that provide ongoing mentorship, education and business resources through the many phases and challenges of business ownership. It can be the road to the success you are looking for.
